

Dear Member

Loan Application Details

Thank you for considering BACCU for your loan. We have attempted to make the application procedure easy to follow but would advise that you look at everything in the pack before you start.

Please complete the application form as fully as possible so that we can make a decision on your application as quickly as possible. If we need to see you for an interview this is usually because we need more clarification on some of the details on your form and does not necessarily mean that your loan will be refused.

Don't forget to review the checklist to ensure that you have returned all the paperwork required, especially proof of income. If you are unable to take copies then you can always bring the application to the Parker Lane office and we will copy any supporting documentation for you. Your application may be handed in to any collection point or returned to Parker Lane. It will be processed quicker if brought / posted to Parker Lane.

If you have any questions about the information in this pack or your personal situation then please do not hesitate to contact the office and we will be try to clarify things for you.

We look forward to receiving your completed form in due course.

Yours sincerely
